TeamsID Emergency Kit FAQ

What is the Emergency Kit ?

The Emergency Kit contains important information which can be used to recover your account and personal/shared records in case you lose your password.

What should I do with it?

You should print the Emergency Kit and/or save the PDF to an offline storage device. The print-out or USB stick should be kept in a safe place. It's a good idea to keep a second copy in a different location.

What should I do if I lose it?

If you have lost all copies of your Emergency Kit you should download a new one from TeamsID to prevent data loss if you forget your password.

I lost my password, how do i use it now?

Please go to: [TeamsID Reset Password](#) and follow on screen instructions.
